¹ Estimated miles for loop as follows:

6.9 miles new quiet single track trail (survey 07/ construct 08)

5.1 miles current CDT trail (old closed roads -keep motorfree/ restore single track as needed)

.7 miles exist single track (tolf trail)

1.7 miles open roads (could be reduced .7 by rerouting Joe Bowers Trail closer to CD)

14,4 miles total loop Josephine-Bison

Note: an additional 2 mile trail/ access is potentially available using closed road up Ontario Creek which intersects with CDT at Bison Creek. This road is used by snowmobilers in winter but closed to vehicle traffic in summer/ fall.
